ORGANISATIONAL CHART

BAB AL MUKAB OVERVIEW

Bab Al Mukab Co. LCC is a renowned name in the GCC markets of Saudi Arabia and UAE for a cumulative experience of 20+years. The company was initially founded in 1994 under the name 'Binsliem'. Since its inception, it has promptly worked in GCC, serving various sectors in multiple services.

For 20 years, we have been dedicatedly served our clients with honesty and far-reaching principles. Our KSA branch was inaugurated with commendable HVAC services which after expansion, have been extended to MEP, Building maintenance, Recruitment, Interior Design, etc., that deals explicitly with construction projects.

The company targets consumers and businesses focusing on well-established services. Agwan Contracting presents a diversified range of services that have allowed to gain expertise in the Civil, Technical, and Mechanical industries, to name a few. Over the years, we have thrived as an all-rounding establishment that has catered to well-known clients.

Bab Al Mukab Co. LCC has leaped to explore and improve services and branches based on international standards and in well-known sectors. We have offices in UAE, Croatia, India, and the UK. In the UAE, we provide services under the name Madinat Broadway Technical Contracting (MBTC), specializing in the construction industry. Our branch in Croatia and UK provides recruitment services to industries including Hospitality, Civil. Mechanical, Oil & Gas, and more.

MISSION

Expanding our services to gain traction toward new clients while exploring more opportunities in the respective sectors.

VISION

Relentlessly aspiring towards a customer-centric module by expanding our diversified sectors.

CORE VALUES

We are **CONNECTED** with our clients to comprehend their every request.

We take on **CHALLENGING** tasks that level up our improvements.

We ensure **TRANSPARENT** services adhere to client satisfaction with utmost credibility
